\$0.50 for Every Button Sold*

We are donating \$0.50 for every button ordered through High School Sports Photo team shoots. The proceeds will be given back to the school's booster club or parent groups to help support our local high school teams and activities! These sports include all school teams and activities, both hosted by the schools and through summer programs.

We truly do appreciate all the support that we receive through Cory Loomis Photography. If we do not currently provide services for your school programs and sports, do not hesitate to contact us for more information.
